Tseung Kwan O–Lam Tin Tunnel – Road P2/D4 and Associated Works

Construction of Southern Footbridge – Temporary Traffic Arrangement at Chui Shin Street

To facilitate the construction of Southern Footbridge, a section of Chui Shin Street between Chui Ling Road and the entrance of Chui Shin Street carpark is temporarily closed with effect from 2 May 2019. A section of Chui Shin Street to the east of the carpark will be temporarily converted from a one-way northbound traffic road to a two-way traffic road, hence vehicles from the carpark cannot left turn to Chui Ling Road. Affected vehicles heading to Chui Ling Road will be detoured along Chui Shin Street. Directional signs will be provided to guide motorists.

Sorry for any inconvenience caused. For enquiries or any opinions, please feel free to call the Project Team at their Hotline at 5599 7455.
